Amma!  
Ég er búinn með  
bókina. Ég er búinn að  
læra alla stafina.

Má ég sjá bókina,  
Kári minn?  
Mikið er þetta  
falleg bók.

Sjáðu þessa bók.  
Ég lærði að  
lesa í henni.

Þetta er  
líka fín bók,  
amma.

Amma, en  
fyndin vísan  
í bókinni þinni.

Já, Kári minn.  
Það er svo gaman  
að lesa bækur.
